Defendant - Appellant

Case NO: 2:16-cr-00004-JPS-1

Honorable J.P. Stadtmueller  
Clerk of Courts  
Eastern District of Wisconsin  
362 U.S. Court House

Honorable Judge. Stadtmueller

I am writing you today about Mr. Jerry Walker. I understand Mr. Walker is trying to get resentenced. I have known Mr. Walker for about 4 years. He has been like a Father to me. We attend Church together and I also go to him when I need any kind of guidance. He has been a real motivation to me to do right in life and be a father to my children. Instead of running around on the streets. I just recently had a major surgery and Mr. Walker has checked on me and has been looking out for me like a father would his own child. I also know Mr. Walker has attended and completed over 80 programs that I know of and works at a job in the prison canteen Monday through Friday. Mr. Walker also shows love to anyone that he meets and gets to know.

Regardless if you assisted the government or not.

Clear of people with any Sex Cases or people  
that assisted the government. Through Mr. Walker  
I learned how ignorant I was to judge anyone.  
I myself thank him for that. Your Honor I  
understand I am just another inmate in prison  
but I hope you do take my words into  
Consideration with Mr. Walker's Sentencing.
